expansion in specialty-chemical capacity

US \$266 billion
for clean-energy and hydrogen projects, plus mega-zones such as NEOM, Jubail and Yanbu transforming the Gulf's manufacturing landscape

Backed by DECHEMA, Messe Frankfurt and the Ministry of Industry & Mineral Resources, AICHEMA Middle East debuts as the region's first triennial edition of the world-leading AICHEMA series. Over three high-impact days it will unite chemicals, pharma, biotech, energy, food and circular-economy stakeholders around Vision 2030's industrial pillars - showcasing solutions, forging supply-chains and accelerating investment across the Middle East, Africa and South Asia.

Join us in Riyadh and plug into the world's most ambitious industrial transformation.

6 Innovation Themes

#process
Innovation

Reengineering performance. Powering next-gen production.

#pharma
Innovation

Redefining speed and scale in pharma innovation.

#lab
Innovation

Accelerating discovery from bench to breakthrough.

#digital
Innovation

Turning data into decisions. Plants into platforms.

#green
Innovation

Driving the net-zero transformation of industry.

#energy
Innovation

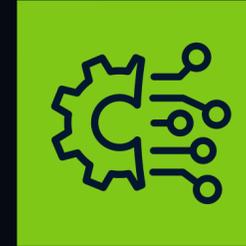

Fuelling tomorrow with clean energy solutions.

Exhibitor Profile

Industrial Engineering, Design & Infrastructure

EPC, Civil & Installation Services, Digital Engineering & Simulation, Fire Protection & Access Control, Water & Waste Utility Systems, HVAC & Cleanroom Technology, Energy Recovery & Integration, PPE & Safety Equipment, Infrastructure & Emergency Systems, Compliance & Monitoring Tools, Investment & Trade Facilitation

Automation & Digital Solutions

Process Control Platforms, Industrial Sensors & Instrumentation, Wireless & Edge Connectivity, MES & Batch Management, Industrial IT & Data Infrastructure, Cybersecurity & OT Protection, Predictive Analytics & Digital Twins, Industrial Robotics & Motion Systems, AI & Machine Learning Applications, AR/VR & Remote Operations

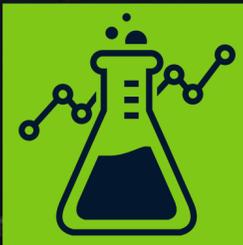

Process Technology, Equipment & Solutions

Fluid Handling Systems, Thermal & Heat Transfer Systems, Mechanical Process Systems, Reactors & Bioprocessing, Material Technologies, Process Safety & Containment, Environmental Control Systems Hydrogen & Clean Energy Systems, Pharma & Biotech Production Machinery, Modular Process Systems

Packaging, Storage & Supply Chain Solutions

Filling & Labelling Equipment, Primary & Secondary Packaging, Serialization & Track & Trace, Sustainable & Reusable Packaging, Cold Chain & Controlled Storage, Dry & Bulk Material Handling, Hazardous & Compliance Packaging, Automated Storage & Retrieval, Smart Inventory & Line Integration, Packaging Testing & Outsourced Services

Laboratory & Analytical Techniques

Spectroscopy & Chromatography, Chemical & Gas Analyzers, Biotech & Genomic Instruments, Environmental & Life Science Testing, Lab Workflow Management & LIMS, Automation & Robotics for Labs, Lab Analytics & Integration, General Laboratory Equipment, Laboratory Furniture & Fixtures, Safety & Containment for Labs

Innovation, R&D & Emerging Technologies

Emerging Process Platforms, Circular & Bio-Based Innovation, Pilot, Demo & Scale-Up Systems, Academic, Research & Talent Linkages, Start-up Ecosystem & Innovation Support, Industrial Technology Accelerators, IP Commercialization & Licensing, Tech Transfer & Joint Ventures, Proof-of-Concept Systems, Career Orientation & Services

WHY JOIN ACHEMA MIDDLE EAST

- ### 1 Industry Summit and Trendsetter

ACHEMA has been side-by-side with the process industry and the changes it has undergone for over 100 years. It is an important driving force for innovation and inspiration that will accelerate sustainable industrial growth in the Middle East.
- ### 2 The One-Stop-Show

ACHEMA Middle East delivers a comprehensive, cross-sector showcase of technologies and solutions spanning the entire process industry landscape. From lab innovation and process equipment to automation, packaging, infrastructure, and supply chain systems, it brings the full innovation lifecycle together under one roof.
- ### 3 Melting Pot of Process Industry

At ACHEMA Middle East, participants take full advantage of unrivalled networking opportunities, enabling them to make connections across continents and different branches of industry, experiencing first-hand the true meaning behind "Inspiring Sustainable Connections."
- ### 4 Exclusive Network

ACHEMA is the only global trade show where over half its visitors attend no other. Now, ACHEMA Middle East brings that elite audience to Saudi Arabia — with a focus on downstream transformation, advanced manufacturing, water innovation, and clean energy, connecting you directly to the Kingdom's most strategic industrial leaders.
