ACHEMA

GRÜNDER | START-UP
PREIS | AWARD

In the run-up to ACHEMA 2024, DECHEMA, the Business Angels FrankfurtRheinMain and the High-Tech-Gründerfonds are announcing the ACHEMA Start-up Award to support creators of tomorrow in paving the way for innovations in chemistry, process engineering and biotechnology!

NETWORK

Establish contacts with our business partners!

INVESTORS

Find investors for your innovation!

ADVICE

Benefit from the expertise of industrial and financial experts!

VISIBILITY

Gain the attention of the global industry!

THE PROFILE OF DOERS

- You founded your company after July 1st, 2021, or you are in the idea, concept or business plan phase
- You are developing new technologies and/or business models in the field of chemistry, process engineering or biotechnology
- You are looking for access to mentors and investors

Regardless of when you enter the competition, all business plans that will have been submitted by 1 December 2023, will be considered in the competition. The selected teams will be invited to present their business plans to the expert jury.

THE TIMELINE FOR DOERS

Mentoring and investor contacts right from the start – entering the competition is possible at any time!

THE PROFIT FOR DOERS

- Even before the final award decision – from the very beginning – contact will be established between you and potential investors to enable expert discussions
- The Top 10 founders/founding teams have the unique opportunity to showcase their technology or product with their own booth at ACHEMA 2024 to the global expert community and make useful contacts
- The TOP founder (team) receives the ACHEMA Start-up Award at ACHEMA 2024 in front of exhibitors, visitors and trade press from all over the world
- Exclusive media exposure in cooperation with ACHEMA Inspire
- Prize money of € 15,000
