

Stand construction configurator

Multiple stand construction types & modules

ACHEMA

10 - 14 June 2024

Frankfurt am Main | Germany

Unfold your stand potential

Make stand planning easy with our stand construction packages: Use our configurator for your stand in the shop of the exhibitor portal.

- We offer different stand packages that you can configure according to your individual wishes and requirements. Suitable for large stands as well!
- Everything from a single source: Our contractual partners will advise and support you up to the stand handover on site.
- Customized graphics: Full-surface, individually customizable for each stand.
- Innovative media technology and illuminated stand elements.
- Focus on sustainability: Reusable stand construction, green electricity, recyclable floor coverings, and sustainable fire extinguishers.

Can't find what you're looking for in the stand packages?

Our contractual partners will be happy to create an offer tailored to your wishes and requirements.
