

INSTRUCTIONS FOR EXHIBITORS, SERVICE PROVIDERS AND STAND CONSTRUCTORS

If hazardous materials according to the German Hazardous Substances Ordinance (Gefahrstoffverordnung, GefStoffV) are to be used, approval therefore shall be obtained from DECHEMA, Exhibition Management, well in advance of the event in writing (by **14 April 2027** at the latest, form “Use of hazardous materials”).

In the event that hazardous materials are utilized, there are a number of regulations that must be complied with to ensure the safety of exhibitors and visitors. Please consider the common and valid set of rules as well as the Technical Regulations, specifically item 5.7 ff.

A short description of the exhibit, the material safety data sheet (MSDS) and a risk assessment must be supplied with the application form.

Please upload at www.achema.de/exhibitorportal
